

Are You Struggling to Find the Files You Need?

Easily access your information when you need it

Individual files stored on desktops and corporate networks do not offer the simple, searchable access to information you need to get the job done.

8/10 workers have to recreate documents that already exist because they could not find them.

- Vanson Bourne, 2019

80% of workers regularly can't locate files when they need them.

- Database Trends & Applications, 2018

96% find it difficult to find the most recent version of a document.

- Vanson Bourne, 2019

Securely manage and retrieve your information.

Easily manage Any Document.

Securely access information Anywhere.

Get the job done Anytime.®

" We used to have 24/7 coverage just to handle the phone calls. Now thanks to **PaperVision Enterprise** we have eliminated the need for after-hours coverage. This has saved the health records department approximately **\$269,000 annually!** "

- Kathy Lavelle
CFO, Woodstock Hospital

" **PaperVision Enterprise** is fantastic! Now when a student shows up for enrollment, we don't have to delay their enrollment and tell them to come back in a week when we finally find their records. The system is saving us more than **\$1 million dollars every year!** "

- Fernando Marino
Director of Business Solutions
Texans Can Academies

" Thanks to **PaperVision Enterprise**, we're able to ensure the protection of more than 10,000 records. Vulnerable information is no longer just sitting in drawers. The cost savings is remarkable as we were able to save more than **\$259,000.** "

- Mary Peelan
Director of Health Information Services
Mental Health Center of Denver
