Are You Struggling to Find the Files You Need?

Easily access your information when you need it

! Individual files stored on desktops and corporate networks do not offer the simple, searchable access to information you need to get the job done.

8/10 workers have to recreate documents that already exist because they could not find them.
- Vanson Bourne, 2019

80%

80% of workers regularly can't locate files when they need them.
- Database Trends & Applications, 2018

96% find it difficult to find the most recent version of a document.
- Vanson Bourne, 2019

PaperVision® Enterprise

Securely manage and retrieve your information.

Easily manage **Any Document.**

Securely access information **Anywhere.**

Get the job done **Anytime.®**

"We used to have 24/7 coverage just to handle the phone calls. Now thanks to **PaperVision Enterprise** we have eliminated the need for after-hours coverage. This has saved the health records department approximately **$269,000 annually!**"

- Kathy Lavelle
CFO, Woodstock Hospital

WOODSTOCK HOSPITAL

"**PaperVision Enterprise** is fantastic! Now when a student shows up for enrollment, we don't have to delay their enrollment and tell them to come back in a week when we finally find their records. The system is saving us more than **$1 million dollars every year!**"

- Fernando Marino
Director of Business Solutions
Texans Can Academies

"Thanks to **PaperVision Enterprise**, we're able to ensure the protection of more than 10,000 records. Vulnerable information is no longer just sitting in drawers. The cost savings is remarkable as we were able to save **more than $259,000.**"

- Mary Peelan
Director of Health Information Services
Mental Health Center of Denver
