Sys.tm Automations

Robotic process automation (RPA)
- Automate back-office tasks

RPA prices based on number of clock hours services are run. You are only billed for what you use:

Sys.tm Automations Starter	\$1/month/user
Interactive Agent Automations	\$0.15/hour/agent
Unattended Agent Automations	\$0.40/hour/agent

Intelligent Document Capture Integration: Sys.tm includes prebuilt integration for upload from PaperVision® Capture, PaperVision® Forms Magic™, and PaperFlow™.
